

## Fleetcard USA

The [Fuelman Diesel Advantage FleetCard](#) is designed for heavy users of diesel, with wholesale-based savings of up to **10¢ per gallon** on diesel fuel. In addition, our purchase controls and detailed reporting can save your business in overall fuel management costs.

The [Fuelman Discount Advantage FleetCard](#) is the choice for businesses with smaller fleets that want to maximize discounts on retail fuel prices. In addition, our purchase controls and detailed reporting can save your business up to 15% in overall fuel management costs through fuel spend monitoring and the prevention of driver theft and fraud.

The [Comdata Universal FleetCard MasterCard](#) maximizes both convenience and control. Your drivers get a card that allows them to fuel up anywhere MasterCard is accepted. And you receive a complete fuel management solution that reduces unauthorized purchases, simplifies administrative tasks, and earns rebates.

As a busy contractor, you should never be forced to choose between purchase control and convenience when it comes to buying materials for your business. [The BuilderPro Card](#) is a complete purchasing solution that enables your employees to buy only the things they need to get the job done, with none of the unwanted extras. **Earn a 5% cash rebate\*\*** on all qualifying building material purchases each month, all while earning valuable fuel rebates\*. Use it for everyday material and maintenance purchases nationwide and conveniently fuel up anywhere MasterCard is accepted.

The [Fuelman Commercial Advantage FleetCard](#) offers you savings of up to **8¢ per gallon** on both unleaded and diesel fuel.\* Plus, our customized purchase controls and detailed reporting can also save your business in overall fuel management costs.

The [ARCO Business Solutions Universal Fuel MasterCard®](#) offers control over driver spending with more fueling convenience. Individual card controls. Security and fraud control. Savings of up to 15%\*. And less paperwork.

The [BP Business Solutions Fuel Card](#) programs offer customized account settings that can work for small to mid-sized businesses – for more control over fuel purchases, savings on fuel management costs, and acceptance at thousands of locations in the U.S.
