

Participants and Authors – Acknowledgments

The One-Call/One-Click Operations guide was prepared for the Federal Transit Administration by the National Association of Area Agencies on Aging (n4a), under contract to the Community Transportation Association of America.

The cooperative agreement between the Federal Transit Administration and the Community Transportation Association of America was part of a program of technical assistance in support of the Veterans Transportation and Community Living Initiative (VTCLI). This document is disseminated under the sponsorship of the United States Department of Transportation, Federal Transit Administration in the interest of information exchange. The United States government assumes no liability for the contents or use thereof. The United States government does not endorse products or manufacturers. Trade or manufacturers' names appear herein solely because they are considered essential to the contents of the report.

Many people contributed their time and expertise to the development of this One-Call/One-Click Operations Guide. We would like to acknowledge and thank them, in particular the members of the One-Call/One-Click Advisory Committee who provided valuable guidance throughout the development process.
