

Valley Shuttle

*Strengthening Grandview, Mabton, and Sunnyside communities
with Public Transportation Services*

PEOPLE FOR PEOPLE

Project Objectives

In an area with limited public transportation...

We gathered older adults and persons with disabilities to design the Valley Shuttle service.

Accomplishments of the Valley Shuttle Inclusive Planning Group

- Surveyed older adults and persons with disabilities.
- Monthly meetings with Steering Committee
- Used Inclusive Planning to review origins and destinations to design shuttle route.
- Made a video to encourage community support.

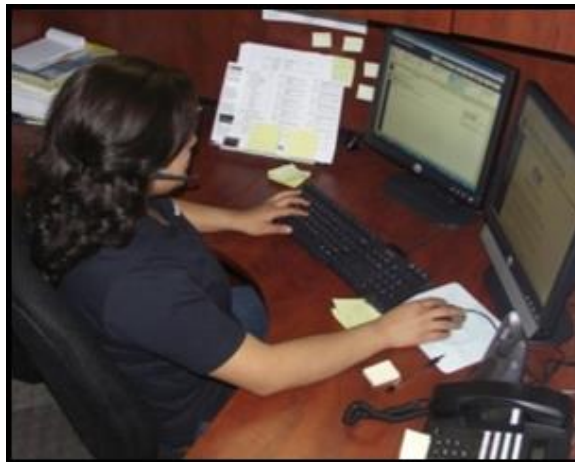

Lessons Learned?

- Agency representatives input
- Go to the people
- Considering people's special needs is more than wheelchair access
- Don't just pass out surveys – fill them out
- Give Steering Committee members a ride and you will get great attendance.

How will we sustain this Inclusive Planning Process?

- ✓ Steering Committee
- ✓ Mobility Management Specialist
- ✓ 2-1-1

Final Assessment

- Infectious Energy
- Community Ownership
- Momentum
