Position Description
Transportation Options Manager (TOM)

AGENCY: Regional Transit Authority (RTA)
OFFICE: Community Transportation
SALARY: TBD

GENERAL STATEMENT OF DUTIES AND RESPONSIBILITIES

The Transportation Options Manager (TOM) is responsible for community transportation planning, coordination, navigation, and travel training for people with disabilities seeking independent living, training and employment opportunities in the community. The TOM develops Person Centered Transportation Plans (PCTP) and uses a Web based travel planner to match a persons travel needs to transportation options, public and private, available in the community. The TOM assists people to choose, obtain and maintain transportation options which best accommodate their unique travel choices and needs. The TOM provides travel training and navigation services to assist the traveler gain mastery of travel routes to promote their independence. The TOM assists in coordinating referrals to existing transportation services as well as innovative Travel Rideshare Programs, Vanpool Service Programs, Car Pool Programs, Personal Digital Assistant (PDA) Technology Programs, Voucher/Subscription Programs and Donated Vehicle/Modification Programs.

The TOM identifies unmet transportation needs through community outreach activities and documents these community-planning needs in an Access database. TOM collaborates with the Massachusetts Rehabilitation Commission and it’s partners in reviewing unmet needs and to assist in developing plans to address unmet needs with community planners. Software mapping programs are used by the TOM to map out existing transportation routes as well as to identify unmet needs routes to facilitate ride matching and community transportation planning. The TOM works with all community transportation resources to improve coordination of services and increase accessible transportation in their community.

The TOM assists in the development of Transportation Resource Manuals and Transportation Resource Web Pages. The TOM serves on the Transportation Options Project (TOP) and the Rural Transportation Coalitions Initiative (RTCI) Project Advisory Committee (PAC) and participates in the development and dissemination of transportation resource information. All other duties as required by the department head.
