COMMUNICATING TRANSIT SAFETY AND PREPAREDNESS TO THE COMMUNITY

JUNE 10TH, 2020
Welcome!
This Session is Sponsored by REI

Now, more than ever, REI Video Information Monitors are communicating COVID-19 safety messages and passenger safety information. REI is offering special Digital Media Kits to CTAA members which can provide immediate and important information to your passengers.

For more information about REI and its products, please contact Patrick O’Donnell by phone at 402-618-3823 or by email: podonnell@radioeng.com.
