OUR SPEAKER

Halsey King

Halsey King and Associates, Carlsbad, California

As a fleet maintenance consultant, Halsey provides advisory and training services to the industry and bus transportation at large, from the Middle East to Pacific Islands. Client lists include private fleets, government fleets, state DOT, FTA (maintenance audits), and manufacturers. He provides the VMMI program of fleet management for CTAA, and is an expert witness in state and federal court systems where injury and death is related to system and component failure.

THEMES OF THIS SESSION

- Understanding the 5 Elements of Prevention Maintenance
- Training Never Ends
- Regulations + Inspections – State and Federal
- Tutorial: How to get Get your vehicle serviced quicker!

We will allow for Q+A after each theme!
