

Missoula, Montana

Small-Urban Network Conference 2021

August 11-13, 2021

About the Conference

CTAA's annual Small-Urban Network (SUN) conference is coming to Missoula, August 11th - 13th and will be hosted by Missoula's Mountain Line, a long-time SUN member! Traditionally, this conference has been an opportunity for small-urban transit to gather and discuss their current operational challenges, learn new ideas from their peers and discuss ways in which their services could be improved. This in-person conference will continue these important traditions and give SUN transit providers the opportunities to learn about concepts from technology-based service redesign to best electric bus practices.

Agenda

August 11

Two afternoon transit tour options; learning and visiting local small-urban providers and their unique systems

Opening Reception, Welcome and Networking

August 12

Breakfast

Workshops on these topics:

- Offering On-Demand Service
- Bus Electrification
- Census
- Federal Legislative and Policy Updates

Keynote and Lunch, a led discussion on Transit and Equity

Continuation of workshops

Simulated Fly Fishing Competition, the evening's social activity

* Please note: Thursday is, by design, a day to focus on getting back to normal operations -- and intentionally not focusing on COVID

August 13

Breakfast

Peer-to-Peer Organized Session on "Small-Urban Transit in a Post-Pandemic World," to include discussions on:

- Operations
- Technology
- Rider commuting and travel patterns
- Spending down stimulus funds
- New capital projects
- New ways to increase local share
- Communications

Full details of the conference will be announced soon.
