SMALL URBAN NETWORK CONFERENCE

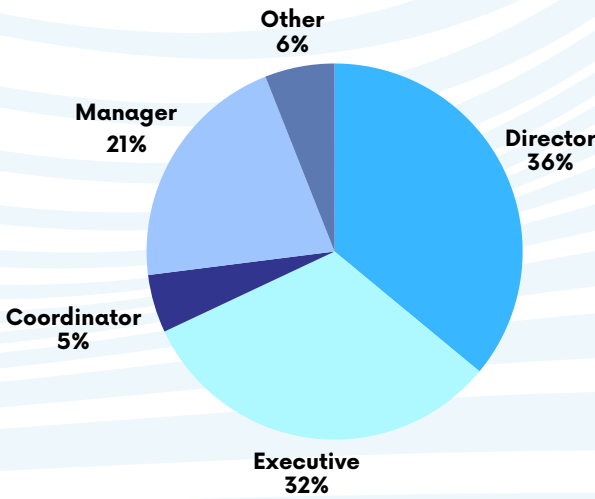

AUGUST 4-6, MONTEREY, CALIFORNIA - WWW.CTAA.ORG/SUN-2026

PROMOTIONAL OPPORTUNITIES

CTAA's annual Small Urban Network (SUN) Conference allows leaders at small urban transit agencies a chance to gather with their peers in a collegial, retreat-like setting. Attendees share ideas, challenges and solutions, and shape CTAA legislative policy strategy impacting small urban systems. SUN Conference attendees enjoy this event due to its focused agenda and actionable ideas. Past SUN Conferences were hosted by CTAA in collaboration with the local small urban transit system in Asheville, Flagstaff, Athens, Missoula, Manchester, Gulfport, Alexandria and most recently, St Cloud.

This event is typically limited to 80 members of leadership at small city transit agencies, so your company gets abundant access to this important audience. The data on attendees speaks volumes:
